

FLOWERS HARDWARE DISTRIBUTION LLC.

MASTER CAPABILITY STATEMENT

Flowers Hardware Distribution LLC. is an authorized wholesale distributor of industrial-grade hardware, tools, and maintenance equipment. We leverage a robust commercial supply chain to provide federal, state, and local government agencies with high-volume sourcing solutions, rapid order fulfillment, and competitive wholesale pricing. Our company is fully structured to support facilities management, military base operations, infrastructure projects, and emergency MRO (Maintenance, Repair, and Operations) demands.

Core Supply Capabilities

We offer direct access to an expansive commercial catalog featuring over 75,000 SKUs across all major industrial hardware classifications:

- **Industrial Fasteners:** High-tensile structural bolts (Grade 5, 8, and stainless), anchor systems, heavy-duty nuts, commercial rivets, and specialized construction adhesives.
- **Commercial Hand & Power Tools:** Industrial-grade pneumatics, heavy electric power tools, mechanics' tool sets, and field maintenance kits from top-tier contract manufacturers.
- **Facilities MRO & Safety (PPE):** Rigging equipment, industrial abrasives, bulk commercial sealants, emergency backup hardware, and workplace safety compliance gear.
- **Electrical & Plumbing Infrastructure:** Heavy-conduit lines, bulk wire reels, commercial fittings, fluid-control valves, and high-durability plumbing components.
- **High-Security Locking Systems:** Heavy padlocks, commercial exit devices, perimeter door hardware, and restricted-access locksets.

Operational Differentiators

- **Wholesale Inventory Sourcing:** Directly integrated with national wholesale distribution logistics, granting our procurement pipeline immediate access to massive bulk inventories across 8 strategic fulfillment centers.
- **Government Purchase Card (GPC) Optimized:** Systems are built to process micro-purchases under the \$10,000 threshold with zero paperwork friction.
- **Catalog Sourcing Power:** Strategic commercial data mapping allows us to fulfill multi-item supply manifests in a single wholesale shipment.
- **TAA & BAA Oversight:** Proactive tracking metrics are applied to identify and isolate items complying with the Buy American and Trade Agreements Acts.
